

Charges

One-off charges taken before or after you invest

Entry charge	5.00%
Exit charge	0.00%

These are the maximum charges that we might take out of your money before it is invested and before we pay out the sale proceeds of your investment. In some cases, you might pay less and you should speak to your financial adviser about this.

Charges taken from the Fund over a year

Ongoing charges	1.72%
-----------------	-------

Charges taken from the Fund under specific conditions

Performance fee	NONE
-----------------	------

- The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
- The entry and exit charges shown are maximum figures.
- The ongoing charges figure in this document is based on fees and expenses for the year ended 30 September 2019. It excludes the costs of buying or selling assets for the Fund.
- Conversion fee of up to 1.00% of the gross amount being converted may be applied for conversions between classes of the same sub-fund and from one sub-fund to another sub-fund.
- For detailed information about charges, please refer to the Company's prospectus, section "General Information".

Past performance

- You should be aware that past performance is not a guide to future performance.
- Fund launch date: 02/11/2006
- Share/unit class launch date: 02/11/2006
- Performance is calculated in EUR
- This chart shows the past performance of the Fund over the last ten full calendar years. If the Fund was launched less than ten years ago, performance is shown since launch. This performance illustration is calculated after the effect of ongoing charges (including performance fees, if any) but does not take into account commissions and costs incurred on the issue and redemption of shares. Performance is shown in the base currency of the share class shown. The investment policy of the Fund has been changed from the 3rd December 2018. Therefore, the past performance before that date may not be representative of the current investment policy.
